Agent student recruitment markets

ICEF Berlin was extremely well organised, the staff very helpful and friendly. Everything seemed to flow well. The interest in Adelaide, and the range of agents we were able to engage with made it an excellent event for us to participate in.

Jodie McDonald, StudyAdelaide, Australia

This was the second time our institution participated at ICEF Berlin. We found this event extremely professional and well organised. Every time we participate, we create new contacts for future cooperation.

Emanuela Marianecci, Internships Professionals LTD, Malta

32 appointments over two days and 90% were relevant. A couple of booking enquiries already came in before the event, many valuable discussions took place during the conference, and the first definite bookings were made within days of it ending. It doesn’t get any better than that, so I couldn’t be happier.

Juliet Cassells, South England Exchange, UK

ICEF Berlin gives you a great opportunity to connect with existing partners and new agents from across the world. Meeting agents face-to-face is a much more personal experience. It gives attendees the opportunity to find out directly from agents what is important to them and the families they represent. This helps the admission and marketing team to be better informed. It is a great way to connect.

Janet Dixon, Lomond School, UK

As a first timer to this event I found it hugely beneficial to our new business. I have gained many contacts, lots of prospects for future partnerships, and most importantly lots of new friends.

Joe Daly, Just Like Home Languages, Ireland

The event enables education providers to hold up to 40 pre-scheduled one-to-one business meetings with relevant, quality student recruitment agents, as well as with other education and service providers. These appointments are 25 minutes in duration and serve the dual objectives of meeting new contacts and maintaining existing relationships. The event programme also includes meals, refreshment breaks, and evening functions, which offer valuable networking opportunities.
