Develop your network across Central Asia

The 4th annual ICEF Central Asia Focus is a must-attend event for international education and service providers looking to recruit and network in Central Asia. It gives them the opportunity to meet top-quality student recruitment agents from Azerbaijan, Kyrgyzstan, Mongolia, Uzbekistan and all the main cities of Kazakhstan in one practical location.

The Kazakh government aims to increase the number of their students studying abroad to more than 50,000 by 2020. Including Tajik, Uzbek, Mongolian, Kyrgyz, and Azeri students, these markets produce more than 160,000 students each year. All agents at the ICEF Central Asia Focus are subject to ICEF’s strict quality screening process. Agents must provide current business references and prove a successful recent track record in placing students internationally. Agents are also personally vetted by ICEF’s Agent Relations Management team to ensure superior quality.

Up to 22 one-to-one meetings may be scheduled prior to the event via ICEF’s customised meeting booking system. Each participant has access to prospective partners’ profiles before the event, enabling them to identify sectors and programmes of most interest. Participants can also take advantage of professional development seminars covering topics such as visa processing, market trends, and support for first-time participants.

The ICEF Central Asia Focus is the most efficient and cost-effective way to establish partnerships with active student recruitment professionals across Central Asia and develop a successful marketing.

The ICEF Central Asia Focus was an amazingly professional event. The usage of the meeting booking system was very welcome.
Aliya Shaikhina, US Department of Commerce, USA

We attended all three cities – Kiev, Moscow, and Almaty. We were very happy with the organisation of all three events. We made many contacts and were happy with their quality.
Julia Abdoullaeva, Columbia International College, Canada

The contacts were good as always. I really liked the event. The venue and the internet connection were great.
Joanne Humphreys, Darrow School, USA

The event was very well organised. It was a good opportunity to establish partnerships with new agents. My schedule was full.
Patrick Lau, Macleans College, New Zealand

This is my fifth ICEF event in 2019 and I have been happy with each and every event. I particularly enjoyed the 10-day tour of Ukraine, Moscow, and Central Asia. We made many friends and good memories along the way. As a start-up university, ICEF has empowered us to reach a global network of agents in a short period of time. So far, the quantity and quality of agents has been very good and helped us in our goal of signing 120 new agents in 2019.
Thomas Lechner, American University of Malta, Malta
